

Public First Poll for Oasis

Fieldwork: 24th Aug - 29th Aug 2021
Interview method: Online Survey
Population represented: England parents of children aged 5-18
Sample size: 1003

Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking gender, region and social grade to Nationally Representative Proportions

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride (seb@publicfirst.co.uk)

List of Tables

1 What are you most concerned about negatively impacting your child, if anything?Please select up to three 2

2 When it comes to children in this country, what issues do you think the Government should be most focused on addressing, if any?Please select up to three 5

3 Which of the following are you aware of as being an issue in your eldest child aged 5-18’s school, if any?Please select all that apply 8

4 How concerned or unconcerned are you about the following?: That your child will develop unhealthy eating habits 11

5 How concerned or unconcerned are you about the following?: That your child could decide to carry a knife 14

6 How concerned or unconcerned are you about the following?: That your child spends too much time in front of screens or online 17

7 How concerned or unconcerned are you about the following?: That your child could become a victim of knife crime or serious violence 20

8 How concerned or unconcerned are you about the following?: That your child will talk to a stranger when unsupervised 23

9 How concerned or unconcerned are you about the following?: That someone might attempt to sell drugs to your child 26

10 How concerned or unconcerned are you about the following?: That your child could suffer from mental health issues 29

11 How concerned or unconcerned are you about the following?: That your child’s learning will be negatively impacted by the pandemic and lockdowns . . . 32

12 How concerned or unconcerned are you about youth violence occurring in your local area? 35

13 Over the last ten years, do you think youth violence has increased, decreased or, stayed about the same? 38

14 Which of the following comes closest to your view? 41

15 What do you think would be most helpful in preventing youth crime/violence? Please select up to three 44

16 Which of the following comes closest to your view? 47

17 Do you know what is meant by the term ‘county lines’? 50

18 The Government has announced a so-called “levelling-up agenda”. Prior to taking this poll, had you heard of this term or not? 52

19 If your area was given government support to help it ‘level up’, which of the following would you expect to see improvements in, if any? Please select all that apply 55

20 If your area was given government support to help it ‘level up’, what effect would you expect that to have on youth violence? 58

21 To what extent do you think the Government is prioritising preventing young people from becoming involved in violence? 61

22 To what extent do you think the following should be responsible, if at all, for helping prevent young people from taking part in violence/crime?: Parents 64

23 To what extent do you think the following should be responsible, if at all, for helping prevent young people from taking part in violence/crime?: Government 67

24 To what extent do you think the following should be responsible, if at all, for helping prevent young people from taking part in violence/crime?: Schools . 70

25 To what extent do you think the following should be responsible, if at all, for helping prevent young people from taking part in violence/crime?: The police 73

26 To what extent do you agree or disagree with the following statements?: Youth violence/crime is overreported in the news 76

27 To what extent do you agree or disagree with the following statements?: Children these days are at higher risk of being involved in violence or crime than when I was a child 79

28 To what extent do you agree or disagree with the following statements?: Youth violence/crime is not as big of a problem as people make it seem 82

29 To what extent do you agree or disagree with the following statements?: Youth violence/crime has had a negative impact on my community 85

30 To what extent do you agree or disagree with the following statements?: I am aware of youth violence in my area, but it feels like no one is doing anything about it 88

(1.A) What are you most concerned about negatively impacting your child, if anything? Please select up to three
