1	Which do you think are the most important issues facing the country at this time? Please tick up to three	3
2	Is your local area going to be voting in local elections later this Spring?	7
3	You said your local area was going to be voting in local elections later this Spring. How likely are you to vote in this election, on a scale of 0 to 10 where 0 is certain not to vote, and 10 is certain to vote?	10
4	You said your local area was going to be voting in local elections later this Spring. Which of the following political parties are you planning to vote for, if any?	14
5	You said you were going to vote for another party in local elections later this Spring. Which party is it?	18
6	How much does your household pay in council tax each year?	22
7	Looking forward to the next local election in your area, which issues do you think will be most important to your decision on who to vote for? Please tick up to three	26
8	Generally speaking, across the country, which party do you think is best at running local government?	30
9	Would you support or oppose your local council getting more powers from central government?	34
10	You said that you would support your local council getting more powers from central government. Looking at the following powers, which would you support your local council getting, if any? Select any which apply	38
11	You said that you would oppose your local council getting more powers from central government. Which of the following reasons best explains why, if any? Select any which apply	42
12	From what you have seen and heard and from your own experience, how would you rate the performance and effectiveness of your local council?	46
13	Do you know who the Chief Executive of your local council is?	50
14	From what you have seen and heard and from your own experience, how would you rate the performance and effectiveness of the Chief Executive of your local council?	53
15	How would you rate your local council on the following measures? : Not wasting money	57
16	How would you rate your local council on the following measures? : Being responsive to questions / queries from local people	61
17	How would you rate your local council on the following measures? : Spending money on the things that really matter	65
18	How would you rate your local council on the following measures? : Paying the right amount to senior staff	69
19	How would you rate your local council on the following measures? : Delivering key services	73
20	How would you rate your local council on the following measures? : Bin collection and keeping streets clean	77
21	How would you rate your local council on the following measures? : Keeping nice parks and green spaces	81
22	How would you rate your local council on the following measures? : Paying the right amount to staff outside the senior leadership team	85
23	How would you rate your local council on the following measures? : Select "Don't Know" if you are paying attention	89
24	How would you rate your local council on the following measures? : Providing council / social housing for the least well-off	93
25	How would you rate your local council on the following measures? : Reducing homelessness	97
26	How would you rate your local council on the following measures? : Caring for the local environment	101
27	How would you rate your local council on the following measures? : Care for the elderly via social care	105
28	How would you rate your local council on the following measures? : Running education services	109
29	From what you have seen and heard, how do you think the performance of your local council compares to other councils nearby?	113
30	Do you think tax levels for Britain overall are too high, too low, or about right?	117
31	Do you think the amount of tax you pay personally is too high, too low, or about right?	121
32	From what you have seen and heard, do you think people in Britain are taxed more, less or about the same as other developed countries like ours?	125

33	Thinking about Britain overall, do you expect taxes to rise, fall or stay the same over the rest of this Parliament (till 2024)?	129
34	Thinking about your own finances and those of your immediate family, do you expect the amount of tax you pay to rise, fall or stay the same over the rest of this Parliament (till 2024)?	133
35	If the national or local Government was going to raise three of the following personal taxes, which do you think should be raised?Please tick three	137
36	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Council tax	141
37	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Inheritance tax	145
38	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Capital Gains Tax	149
39	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Vehicle Excise Duty	153
40	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Stamp Duty	157
41	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: TV Licence Fee	161
42	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: National Insurance Contributions	165
43	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Income tax	169
44	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Corporation tax	173
45	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: Fuel tax	177
46	For the following taxes levied on British businesses and families, please indicate if you think the tax is fair, unfair or neither?: VAT	181
47	Do you think that council tax in your area is too high, too low, or at the right level?	185
48	You said you thought council tax in your area is too high. Why do you think council tax levels are as high as they are in your local area? Select ALL which apply	189
49	Thinking about the next five years, do you expect your council tax levels will go up or come down or stay the same?	193
50	Would you support or oppose your council raising council tax above inflation next year?	197
51	Which of the following measures would you support your local council taking to keep council tax down, if any? Please select ALL which apply	201
52	And, regardless of whether you support them or not, which of the following measures do you think would have most impact in keeping council tax down?Please select up to three	205
53	Which of the following statements do you agree with most?	209
54	Thinking generally about council tax across the country, do you think:	213
55	And, again thinking generally, which of the following comes closest to your view:	217
56	Would you support or oppose council tax being replaced by a property tax, where people paid a tax based on the estimated current price of their property and any improvements / modifications made?	221
57	Which of the following, if any, do you think would be a better alternative for a local tax than council tax?Please select all that apply	225
