

# Public First Poll for UK Music

**Fieldwork:** 9th Apr - 13th Apr 2021  
**Interview method:** Online Survey  
**Population represented:** UK Adults  
**Sample size:** 1002

## Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking age & gender, region and social grade to Nationally Representative Proportions

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride ([seb@publicfirst.co.uk](mailto:seb@publicfirst.co.uk))

Please note that the following tables are not the full tables from this polling work, and show only the key figures used in media. Complete tables can be found on Public First's website.

**List of Tables**

1	Which of the following hobbies or activities, if any, would you say that you enjoyed the most?Please select up to three . . . . .	2
2	In the last month, have you listened to music for any of the following purposes? . . . . .	4
3	What difference, if any, do you think music makes to your productivity at work / when studying and how much you get done? . . . . .	6
4	During the last year and lockdown, how would you say that the amount of music that you listen to has changed? . . . . .	8
5	And, in your experience, has listening to music helped you with any of the following? Please select all that apply. . . . .	10
6	Which of the following, if any, do you tend to find are most helpful for improving your mood when you feel down?Please select up to three. . . . .	12
7	In the past year, have you done any of the following?Please select all that apply . . . . .	14
8	Thinking back to the year before Covid-19 (i.e. 2019), did you do any of the following?Please select all that apply . . . . .	16
9	How interested or uninterested are you in attending a live concert, gig or festival this year? . . . . .	18
10	When live music events are able to take place, how often do you anticipate that you will attend compared to before the pandemic? . . . . .	20
11	Which of the following would you most like to be able to go to this year, if any?Please choose up to three . . . . .	22
12	Overall, how important or unimportant would you say that listening to music is to you and your quality of life? . . . . .	24
13	And how would you say that the importance of music has changed for you during the last year? . . . . .	26
14	Please read the following statements carefully. To what extent do you agree or disagree with them?: Music has helped me cope with lockdown . . . . .	28
15	Please read the following statements carefully. To what extent do you agree or disagree with them?: Music has helped with my mental health and wellbeing	30
16	Please read the following statements carefully. To what extent do you agree or disagree with them?: Music helps me be more productive when working .	32
17	To what extent do you agree or disagree with the following statements about the music industry as a whole? : I am worried about the financial viability of my local live music venues after lockdown . . . . .	34

(1.A) Which of the following hobbies or activities, if any, would you say that you enjoyed the most? Please select up to three
