

# Public First Cannabis in Canada poll

**Fieldwork:** 28th May - 3rd Jun 2021  
**Interview method:** Online Survey  
**Population represented:** Canadian Adults with a oversample in Quebec and Alberta  
**Sample size:** 1148

## Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking age & gender, province and education

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride ([seb@publicfirst.co.uk](mailto:seb@publicfirst.co.uk))

**List of Tables**

1	Have you ever used cannabis before?This includes smoking, vaping, and in food or drinkPlease note this does not include CBD products . . . . .	3
2	During the past three months, how often did you use cannabis? . . . . .	6
3	In the past three months, where did you get the cannabis you used?Select any which apply . . . . .	9
4	In the past three months, which of the following methods did you use for cannabis most often? . . . . .	12
5	At anytime in the last year, have you driven a vehicle after consuming any amount of cannabis (i.e. within the same two-hour period)? . . . . .	15
6	When you buy non-medical cannabis products, how do you tend to purchase . . . . .	18
7	Which of these statements best describes your own personal experience related to cannabis? . . . . .	21
8	In October 2018, cannabis (also known as marijuana) was made legal and some cannabis products were available for sale across Canada. Overall, do you support or oppose this change in the law around cannabis use? . . . . .	24
9	What do you think is the right age to be legally able to purchase and use non-medical cannabis? . . . . .	27
10	Thinking back to before cannabis was legalised in October 2018, to the best of your recollection did you support or oppose the legalisation of cannabis? . . . . .	30
11	And, in your view has legalising cannabis in October 2018 worked out mostly well, or badly? . . . . .	33
12	Thinking about the last election and the Trudeau Government’s domestic reforms, did the legalisation of cannabis in 2018 make you... . . . . .	36
13	Please indicate if you support or oppose the following:: Cannabis should be made cheaper so more users will switch to the legal market . . . . .	39
14	Please indicate if you support or oppose the following:: Cannabis should be made more expensive to discourage people from using it and prevent people from using too much . . . . .	42
15	Please indicate if you support or oppose the following:: Cannabis companies should be free to brand their products and advertise just like alcohol companies . . . . .	45
16	Please indicate if you support or oppose the following:: Cannabis companies should be restricted from advertising just like tobacco companies . . . . .	48
17	Please indicate if you support or oppose the following:: Cannabis is a healthier alternative to alcohol and should have fewer marketing restrictions than alcoholic beverages . . . . .	51
18	Do you think cannabis legalisation has had a positive or negative impact on the economy in your local area, if it has had an impact at all? . . . . .	54
19	Overall, how do you think cannabis use in Canada has been affected by the legalisation of non-medical cannabis in October 2018, if at all? . . . . .	57
20	Do you feel the number of cannabis stores in your community is... . . . . .	60
21	Which of the following most closely represents your views on legal cannabis stores: . . . . .	63
22	Since the legalisation of non-medical cannabis in October 2018, how often if at all do you visit cannabis stores in person? . . . . .	66
23	Do you know where your nearest cannabis store is? . . . . .	69
24	To the best of your knowledge, is cannabis sold by licensed stores in your province safe or unsafe? . . . . .	72
25	To the best of your knowledge, is cannabis sold by licensed stores in your province of a high or low quality? . . . . .	75
26	To the best of your knowledge, is cannabis sold by licensed stores in your province expensive or cheap? . . . . .	78
27	Thinking about the store(s) which sell cannabis in your local area, would you say these stores are trustworthy or untrustworthy? . . . . .	81
28	For each of the following, please indicate if they apply or do not apply to cannabis stores in your province: They allow adults to have safe access to cannabis products . . . . .	84
29	For each of the following, please indicate if they apply or do not apply to cannabis stores in your province: They attract crime and loitering . . . . .	87
30	For each of the following, please indicate if they apply or do not apply to cannabis stores in your province: They create jobs . . . . .	90
31	For each of the following, please indicate if they apply or do not apply to cannabis stores in your province: They help attract people to shop locally . . . . .	93
32	For each of the following, please indicate if they apply or do not apply to cannabis stores in your province: They create a less desirable neighbourhood . . . . .	96
33	For each of the following, please indicate if they apply or do not apply to cannabis stores in your province: They reduce crime . . . . .	99
34	Would you tend to support or oppose the following:: Allowing cannabis consumption indoors in licensed lounges or hotels . . . . .	102

35 Would you tend to support or oppose the following:: Plain packaging for cannabis products . . . . . 105

36 Would you tend to support or oppose the following:: Advertising bans for cannabis products . . . . . 108

37 Would you tend to support or oppose the following:: Allowing licensed cannabis stores to do doorstep delivery of purchased products . . . . . 111

38 Would you tend to support or oppose the following:: Allow restaurants with a liquor licence to also serve cannabis beverages . . . . . 114

39 Which comes closest to your view...Please select the option which comes closest to your view, even if neither is exactly right . . . . . 117

40 Do you agree or disagree with the following: There needs to be better education on the dangers of cannabis from an early age . . . . . 120

41 Do you agree or disagree with the following: I would want a cannabis store to open near me . . . . . 123

42 Do you agree or disagree with the following: I have been more interested in using cannabis since it was legalised . . . . . 126

43 Do you agree or disagree with the following: I would be worried if someone in my family started using cannabis every day . . . . . 129

44 Do you agree or disagree with the following: Other countries should follow Canada in legalising non-medical cannabis . . . . . 132

45 Do you agree or disagree with the following: I have learned more about the health risks of cannabis since it was legalised . . . . . 135

46 Do you agree or disagree with the following: Taxes from cannabis should be spent on more education for young people about the risks of cannabis . . . . . 138

47 Do you agree or disagree with the following: I have learned more about the health benefits of cannabis since it was legalised . . . . . 141

48 Have you seen or heard any adverts with information about cannabis and health in the last month on the following mediums?Please select all which apply 144

49 What would you say are the positive impacts of legalising cannabis, if there are any?Please select any which apply . . . . . 147

50 What would you say are the negative impacts of legalising cannabis, if there are any?Please select any which apply . . . . . 150

51 Which of the following comes closest to your views on legalising non-medical cannabis? . . . . . 153

52 If you had to guess, which province would you say has the highest proportion of cannabis users? . . . . . 156

53 And if you had to guess, which province would you say has the lowest proportion of cannabis users? . . . . . 159

54 Finally, do any of the following apply to you?Select ANY which apply . . . . . 162

(1.A) Have you ever used cannabis before? This includes smoking, vaping, and in food or drink. Please note this does not include CBD products
