

Public First and More in Common Poll for Fairness Foundation

Fieldwork: 24th Aug - 28th Aug 2022
Interview method: Online Survey
Population represented: GB Adults
Sample size: 2010

Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking age & gender, region and social grade to Nationally Representative Proportions

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride (seb@publicfirst.co.uk)

List of Tables

1	On the whole, do you think British society is fair or unfair	2
2	What percentage of wealth in Britain do you think is held by the richest 20% of people?	5
3	And if you had to guess, what percentage of wealth in Britain do you think is held by the richest 20% of people?	8
4	What percentage of wealth in Britain do you think is held by the poorest 20% of people?	11
5	In Britain today, the richest 20% of people have 63% of the wealth, and the poorest 20% have 0.6% of the wealth. In your view is this fair or unfair?	14
6	What proportion of disadvantaged pupils (those on free school meals or in care) do you think got a good pass (grade 5 or above) in both English and Maths GCSE in England last year?	17
7	What proportion of all other pupils (NOT on free school meals or in care) do you think got a good pass (grade 5 or above) in both English and Maths GCSE in England last year?	20
8	In England last year, three in ten disadvantaged pupils got a good pass (grade 5 or above) in both English and Maths GCSE compared to six in ten for all other pupils. In your view is this fair or unfair?	23
9	We'd now like your view on the gap in earnings between the most senior people in large companies and the average worker in those companies. Thinking of all large companies in general, how many times more do you think the CEO is paid than their average employee?	26
10	In Britain today, the average large company CEO is paid 79 times more than their average employee. So for example if an average employee earned £30,000 a year, the CEO would earn £2,370,000 In your view is this fair or unfair?	29
11	What proportion of their monthly income do you think the following pay on council tax?: Lowest income households (bottom 10%)	32
12	What proportion of their monthly income do you think the following pay on council tax?: Highest income households (top 10%)	35
13	On average high-income households spend 1.8% of their monthly income on council tax, while low-income households spend between 3.7% and 9.6% (depending on whether they apply for council tax support). In your view is this fair or unfair?	38
14	The richest 10%::How many years do you think someone born today in the following groups can expect to live in good health?	41
15	The poorest 10%::How many years do you think someone born today in the following groups can expect to live in good health?	44
16	In Britain today, the richest 10% of people can expect to live in good health for 70.6 years, while the poorest 10% of people can expect to live in good health for 52 years. In your view is this fair or unfair?	47
17	On the whole, do you think British society is fair or unfair?	50

(1.A) On the whole, do you think British society is fair or unfair
